

A photograph of a grand building entrance. A large, arched window with a black metal frame and a chandelier inside is at the top. Below it is a blue banner with yellow borders and the text "GRAND OPENING!" in yellow, 3D-style letters. Underneath the banner is a set of glass double doors with a polished metal frame. Above the doors is a polished metal panel with the number "918" in the center. The floor is made of large, light-colored marble tiles with dark square accents. The walls are made of light-colored stone or concrete blocks.
